WHAT YOU NEED

Fully vaccinated, and produce proof of vaccination recognized by the Singapore Authorities.

Must have only traveled to/transited via any VTL countries/regions, Category I countries/regions, and/or Singapore for the last 7 days before departure for Singapore.

- Negative pre-departure PCR test or Professionally administered ART, within 2 days before departing for Singapore at an internationally accredited or recognized laboratory, clinic, or medical facility.
- On-arrival supervised ART at Quick Test Centre or Combined Test Centre within 24 hours of arrival. Travelers must self isolate until they receive a negative COVID-19 ART result.

- All travelers must submit SG Arrival Card health and travel history declaration up to 3 days before arriving in Singapore.
- All travelers entering Singapore must comply with the prevailing health and safe distancing measures in Singapore

- Fully vaccinated Singapore Citizens, Permanent Residents (PR), Long Term Pass Holders (LTPH) except work permit holders, and unvaccinated children aged 12 years and below accompanied by a fully vaccinated adult do not need to apply for a Vaccinated Travel Pass (VTP).
- Short term visitors and work permit holders will need to apply for a VTP and entry visa if required. VTP is valid for 14 days from date of entry.

VTP requirements

Short Term Visitor & Work Permit Holders:

- Apply between 3 – 60 calendar days before the intended date of entry.
- Use the Trace Together app in Singapore to facilitate contact tracing.

Short Term Visitors only:

- Purchase travel insurance, with a minimum coverage of SGD \$30,000 for COVID-19 related medical treatment prior to travel.
- Present a return ferry ticket corresponding to the duration of their hotel stay.
- Show proof of hotel booking confirmation and payment for the duration of their stay in Singapore from the approved list.
